

The art galleries, restaurants, specialty stores, and lodging properties of Manitou Springs invite you to join us for ARTWALK WEEKEND, an event designed to entice, inspire and relax you. Come to where the art is! Come to Manitou Springs! Soak up the beauty of our natural surroundings, our reverence for history and the stimulating creative environment that has long attracted artists and artisans to this little community at the foot of Pikes Peak.

This year's ARTWALK brings several new and exciting offerings. Meet Tala and Timber, the ambassador wolves from Colorado Wolf & Wildlife Center at Navajo Gallery & Gifts and enjoy restaurant specials such as 20% off the Coquette Banana Foster Crepe at Coquette Creperie. A special thank you needs to be given to the students from Manitou Springs, St. Mary's, Palmer, and Doherty High Schools have again provided artwork throughout town using sidewalk chalk. Retro Moto Toys will provide chalk for you to create your own work of sidewalk art at their location. Ask the Dulcimer Shop and Glass Blowers of Manitou for demonstrations of their art. Additional galleries in town include Duryea Fine Art (1003 Manitou Avenue), Fare Bella (16 Ruxton Avenue) and T Benton Brooks Studio/Art Gallery (906 Manitou Avenue, #107).
